Together Then...Together Now
Short report this month, but I must talk about a couple of things. First, I was never so proud to be not only a Vietnam veteran but a member of Chapter 20 as I was on May 15. The return of our brother Francis Graziosi to Rochester was that day. Our marching unit, the US Army and airport staff did a wonderful job. My special thanks to the Monroe County Airport for allowing us to be on the tarmac, and mostly to the family of Francis for making us part of that day. Ray Melens said it best, “They don’t have him anymore.” WELCOME HOME, BROTHER FRANCIS.

Saturday brought us to the time to put Francis to rest by his Mom and Dad. I chose to ride my motorcycle with a group called the Patriot Guard who do military funerals. What a wonderful sight—about 100 motorcycles taking Francis to the cemetery. My spot was right behind the hearse and I spent that 30 minute ride to the grave site looking at the flag draped casket and thinking about him and all he must have gone through. The support from all who attended made it a wonderful day, one that I will never forget.

I need to address a problem that has come up. Anyone who will be representing the Chapter at any event or taking tours through our memorial needs to clear it through myself or another executive member. As for the memorial, please also make Chuck Macaluso aware of the tour because there is a set script for that tour. We must represent the Chapter with the utmost respect and professionalism. We as members must maintain the position of Chapter 20 and our National office and the Rochester Memorial Board and not our personal opinion. Please remember that as President I am the official spokesperson for Chapter 20.

Lastly, again thanks to all who helped bring Francis Graziosi home with honors and respect.

POW-MIA
Gail Bologna-Melens, Chairperson

This month there is only one name to report as returned, it was announced on April 11, 2007: Lt Michael R Newell, U.S. Navy, of Ellenville, New York. He was listed as killed in action/body not recovered on December 14, 1966. He was in a F8E on a mission over North Vietnam. His remains were repatriated on August 15, 2005, and were positively identified on November 27, 2006.

Please REMEMBER the remaining 1,786 men and women listed as POW/MIA.

Veterans Incarcerated Committee
Ron Trovato, Chair

Chapter #205 at Auburn held a general membership meeting on March 2nd for the purpose of nominating officers and organizing the upcoming election. On April 6th a second membership meeting was held and elections conducted. We note also that chapter members Dennis Conway and Lawrence (Abdulla) Wilson reported on a chapter committee that is exploring the long range future of Chapter #205 at Auburn and ways to keep the younger vets there involved. Longtime chapter member Bill Layer was elected as Chapter President and I look forward to working with him on a regular basis. Bill has the work ethic and experience to keep the chapter running smoothly, so there should not be much of a transition there.

Electon results for Chapter # 205:
President – Bill Layer
First Vice President – Joe Cannon
Second Vice President – Ray Fulton
Treasurer – Joe Castro
Secretary – Ron Sawyer

A Memorial Day Service is scheduled at Auburn on May 28th and inside sources have indicated that the legendary Crochet Squad has completed over 120 hat and scarf sets already.

We recently heard from James “O.C.” O’Connor, past president of Chapter #205 and currently an active member of Chapter #603 at Groveland. It looks like O.C. will be paroled in May and we wish him the best of luck and also thank him for his contributions to Chapters #205 and #603. O.C. always put the interests of the chapter first and he has been a loyal personal friend of mine for many years. He also donated $60 of his own money to Chapters #20 and #205 and we thank him for this most generous donation. That is really what VVA is all about, vets helping each other, and O.C.’s personal example is one we can all appreciate.

Mark Schuler of Chapter #603 contacted us regarding some changes in their general membership meetings that gives greater emphasis of the work their special committees are doing. After a downturn in membership, we hear that more Veterans are joining and involving themselves in the chapter’s activities. Chapter #603 also sent a $150 donation to the Dansville Community Food Pantry and is planning a Memorial Day event at Groveland. The results of Chapter #603’s election held on April 7th:

President – Wayne Cottrell
Vice President – Mark Schuler
Secretary – Eugene Brosseau
Treasurer – Donald Tanner
Board of Directors – Thomas Welch, Lee Burns
Nominating Committee – James Turner, Terrance Knowles, Duane Shaw
AVVA Membership – Peter Van Durme

It is worth quoting Mark Schuler in his letter to me: “We want to represent ourselves as contributing Veterans even though we are incarcerated at this time. This will help us to be contributing citizens once we reach the streets again.”

funeral for a Brother Vietnam Vet, who served in the Air Force. I cannot begin to tell you or to even try to explain the emotions that are felt at these services. This one was especially difficult because I witnessed a few good friends of mine trying to come to terms about this funeral because the deceased was a childhood friend of theirs. Again I had many compliments from family members and some friends of the family. This is what our Honor Guard is about. We try to be there when we are needed to make sure that a brother or sister Vietnam Vet is given the proper military honors that are so deserving to them.

I will report next month about the repatriation services for SSGt Francis Graziosi. The Honor Guard has been asked to be the Color Guard for when Francis’ remains are returned home to the Greater Rochester Int’l Airport. We will also be at the Funeral home standing guard at the casket and we will be at the cemetery for the burial and to take part in the rendering of his military honors.

Our 2007 parade season is well under way by the time you read this. We are looking forward to another great parade season and more great camaraderie. The Marching Unit has a new member that we wish to acknowledge and extend a “welcome aboard” to and that is Hank Wallace. Welcome, Hank, and we hope you enjoy marching with us and that you find that one special “WELCOME HOME” parade soon. But still keep marching with us afterwards.

Once again I would like to remind all members of the Chapter that they are welcome to join the Marching Unit and the Honor Guard if they choose to do so. The Honor Guard meets at 7:00 P.M. on the night of the monthly membership meeting. Feel free to join us in a meeting and see if you might want to become a member.

Until next month……..AT EASE!!!!!!

This photo is of Mary Barton and her niece, Laura Williams, with an honor guard at the Tan Son Nhut Association Reunion, held in Dayton, Ohio, May 3-6, 2007.

Army Colonel David Odell, the Tan Son Nhut base commander, shouldered through the crowd and stepped to the boarding ramp of a U.S. Air Force C-141 transport. Though the 825 American members of the Joint Military Commission were to stay on in Viet Nam for another two days, Odell could tell his grandchildren that he was officially the last man out.

The American flag was loaned to the reunion so that it could be presented to the over 100 veterans present and their families. I had the opportunity to hold the flag. It was an awesome feeling and brought a multitude of memories. I served at the U.S. Army Mortuary on Tan Son Nhut from May 1968-July 1970.

The Tan Son Nhut Association was formed in 1996 and is open to veterans of all military branches that served on Tan Son Nhut Airbase, near Saigon. The website for anyone interested is http://www.tsna.org/.

Editor’s note: Mary Ruth Odell Barton found the last American flag to fly over South Vietnam among her brother David’s possessions after he died in 1995. On May 5, 2007, during the reunion of the Tan Son Nhut Association, she presented it to the director of the National Museum of the United States Air Force.

Adaptive Clothing For Military Wounded

American military personnel are serving our country in a variety of dangerous situations and locations. A number of them return seriously wounded or injured. Modern medical technology is having great success saving the lives of these heroes. However, medicine doesn’t address some of their basic needs, such as clothing that will accommodate medical devices and situations - braces, fixators, casts, prosthetics and burns. Many of the wounded troops are left with a hospital gown as their only clothing option.

SewMuchComfort (www.sewmuchcomfort.org/index.asp) is a collaborative of seamstresses from around the country modifying clothing to accommodate these needs. All clothing is provided free of charge to the soldiers.

A Bit of MRE History

The MRE replaced the Meal, Combat Individual, which some still refer to as the old “C-Ration,” beginning in 1980.

From its year of introduction to 1987, the MRE contained such memorable items as: Ham and Chicken Loaf, Smoky Franks (aka “the Five Fingers of Death”), Chicken a la King (or Chicken “a la Death”) and the ever popular freeze dried pork, beef and potato patties. In 1988, eight of the original 12 entrees were replaced with entrees that were slightly more identifiable, to include spaghetti and meat sauce.

The MRE had the opportunity to go to war in Operation Desert Shield and Desert Storm.

Unfortunately, the initial feedback on the acceptance of the MRE wasn’t pretty. It wasn’t the four letter words we heard, but the combination of 4-letter words! Gerry Darsch, then chief of the Ration Systems Division, was called to the Pentagon. It was “suggested” by the former Chairman of the Joint Chiefs of Staff, Gen. Colin Powell, that we explore how to “FIX IT!”

A Joint Services Operational Rations Forum (JSORF) was conceived and its first meeting was held in 1991 with the objective of redesigning the MRE. JSORF membership included a voting member from each of the Services and the Defense Logistics Agency. The path forward was clear; we needed to refocus our business philosophy from the “Father Knows Best” mentality to one based on “Warfighter Recommended, Warfighter Tested, Warfighter Approved.”

Industry was brought on board immediately by involving the Research and Development Associates, an organization comprised of commercial vendors who contribute to the family of combat rations.

The plan was clear; The NSRDEC would lead the charge, survey Warfighters in the field and identify what food items should go into the MRE. From this data, MRE components would be obtained from the commercial sector or developed at the NSRDEC.

Prototype MRE’s would be assembled by the industry and include those new items... Two groups of Warfighters would contribute to the field test. One group would consume the current MRE as the control and the other would evaluate the new prototype menus and components.

Surveys for the groups would be developed, collected and analyzed... The results of the field test would be presented to the JSORF and the most highly rated prototype entrees, starches, deserts, beverages, candies and snacks would replace the least acceptable items in the current MRE. These decisions would then be presented to the combat ration industry to alert them of changes that will be made to the MRE. Finally, the NSC would prepare and coordinate the necessary procurement documents and forward them to the Defense Supply Center Philadelphia (DDCP) to initiate procurement...

The process began in 1991 with the first new components appearing in the MRE in 1992 and continues today. From 1993 to 2006, over 165 new items have been included in the MRE...

In the past two years, 29 new items have been approved for the MRE for 2007 and 2008...

All in all, more than 6,000 Warfighters, Soldiers and Marines both, have contributed to the MRE improvement program since 1992. As many of our Warfighters have stated, “you may never please all of us, but you sure are pleasing most of us.” NOTHING goes in or out of an MRE without critical Warfighter input. Working closely as a team, we have now produced the most customer driven, customer focused ration in the history of DoD.
