President's Report

Another month has flown by. I would like to start by thanking all those who worked on the annual dinner under the leadership of our own mouse, Dick Oleksyn. Thanks also to all who attended – I hope you had a great time. With a sweep of awards, Joe “Skippy” Peck well deserves the recognition for his hard work and dedication to Chapter 20. I can’t hardly wait to see how he will top the things he did in the past year to win the Gus Macker award. Congrats to all the others who received awards for their hard work.

Marching Unit
Ray Melens, Commander

In last month's report I talked about the annual Marching Unit meeting. One thing that was discussed was the annual Marching Unit picnic. It will be held this year on Saturday, Aug. 29th at 2 P.M. The menu is still being thought about and being put out for some caterers to quote on. Maybe in next month’s report I will be able to let you know what the menu will be. Whatever it is, I’m sure it will be good and we’ll all have a good time again. Speaking of the Marching Unit meeting, you will notice that elsewhere in this issue, is the parade schedule. If you are a member of the Unit, you are encouraged to attend as many parades as you can.

We have a couple of new members to welcome to the Marching Unit and Honor Guard. They are Bud Hemmerick, Ed Jones, and Jerry McDermott. I’m sure that all the MU/HG members join with me in wishing you all a “Welcome aboard guys and happy marching!”

As of this writing, we have two sure parades scheduled for June. They are the Spencerport Firemen’s parade, Barnard Firemen’s, and maybe Holley Firemen’s. I say maybe because we still do not have the parade invitation from Holley. I’m sure we’ll get one any day now. I will keep you all informed at the parades about any tentative parades on our schedule. See the schedule elsewhere for the times and dates of these parades.

In last month’s BTL, I briefly touched on the Annual Dinner. Now that we know who the award recipients are, we can send out congratulations to Hank Wallace, Jerry McDermott and Joe Peck for winning the veteran service awards. You guys deserved them and hopefully your devotion and energy to the Chapter will continue for many years. Big Congratulations to Judge Patricia Marks for winning this year’s Community Service award. She does a great job with the Monroe County Veterans Court. She is surely helping our veterans by giving them a second chance to avoid jail time, and helping to turn their lives around and make them contributable members of society. This year’s recipient of the Marching Unit Service Award went to none other than Joe Peck. Well deserved and a great job representing the Marching Unit and all Vietnam Veterans. Let’s not forget the coveted Gus Macker Award! Of course none other than Joe Peck went home with that one as well. It was like Grammy Award night for Joe Peck. Carrie Underwood has nothing on you, Joe! Well wait a minute, let me rethink that. Congratulations to all of our award winners and a big “THANKS” to Dick (the Mouse) Oleksyn for his hard work organizing and putting the dinner together. All in all it was a great evening and I think everyone enjoyed themselves.

In August, a version of the Moving Wall will be coming to the Fairport VFW. Our Marching Unit members will be partaking in the opening and closing ceremonies. All members are encouraged to attend these ceremonies in uniform and take part. The dates that the Wall will be here are Aug. 21st thru Aug. 23rd. I don’t have the times of the ceremonies yet, but when I do get them I will be sure to pass them on. We can discuss the event more at our monthly HG meeting.

The HG meeting will be held at 7 P.M. upstairs at Ira. We are always looking to get new recruits into the Marching Unit or Honor Guard or even both. If you are interested in the VA for health care services.

Well, with the warm weather here it’s time for parade season and those outreaches with the Chapter trailer. I would encourage everyone to take part in marching and helping with the outreaches. Please keep in touch with Ray about the parades and contact Ralph Pascale to volunteer at the trailer.

Enjoy the summer and I’ll see you at the next meeting. Remember to thank a veteran when you see them, and welcome them home.

POW-MIA
Gail Bologna-Melens, Chairperson

Well, finally we have a new
number and it is 1,741. It has been
a long time coming from the DOD
but maybe more will be following.

Harmon Polster, USAF, from
Ohio was reported missing in Laos
July 15, 1969, his remains were
recovered April 21, 2007 and identi-
ﬁed March 30, 2009.

Now that summer is here, please
remember to ﬂy your ﬂags daily. Our
POW-MIA and American ﬂag give-
away is still going on. All you have
to do is come to the monthly VVA
meeting and put your name in the
tub. You must be a VVA or AVVA
member, you also must have a place
to ﬂy the ﬂag (it does little good for
awareness if the ﬂags are in the closet
or in a drawer), also allow one year
from your last name drawing, and
one per family.

With so little new information
on returns I would like to take this
time to give a little information about
the Gold Star Mothers Club.

Shortly after WWI, the Gold
Star Mothers club was formed in the
US to provide support for mothers
that lost sons or daughters in the war.
The name came from the custom of
families of servicemen hanging a
banner called a Service Flag in the
window of their homes. The Service
Flag had a star for each family mem-
ber in the military. Living servicemen
were represented by a blue star, and
those who had lost their lives were
represented by a gold star.

It was founded by Grace Darling
Seibold of Washington, DC. Her son,
First Lt George Vaughn Seibold, was
killed in aerial combat over France
in August, 1918. Mrs. Seibold was
already doing volunteer service in
veteran’s hospitals. After her son’s
death, she continued this work, and
also began organizing a group of
other women who had lost their
sons in the war. The mothers did
volunteer work together, and served
as a support network for one another.
Perhaps the most famous mother to
have joined was Aletta Sullivan, the
mother of the ﬁve Sullivan brothers,
who were killed in action when
their ship, the USS Juneau was sunk
on November 13, 1942 during the
Naval Battle of Guadalcanal.

On the last Sunday in September,
Gold Star Mother’s Day is observed
in the US in their honor. I have a
poem that I would like to share by an
unknown author that was printed in
Rolling Thunder Times.

What is a Gold Star Mother?
A Mother whose grieving heart
reaches out to comfort another.
A Mother who feels compassion
when casualty lists are read.
A Mother who suffers the heartache
of hearing her son was dead.
A Mother whose dreams were shat-
tered on a battlefield afar.
A Mother who has the privilege of
wearing the little gold star.
A Mother who walks so bravely to a
fallen hero’s grave.
A Mother who loves the nation her
son gave his life to save.

This is a Gold Star Mother—
A Mother with courage and pride,
whose son went forward to battle
And in the line of duty died.

Please REMEMBER all of our
Veterans alive and dead and our
POW-MIA’s in your prayers and
thoughts.

Veterans Incarcerated
Committee Report
Ron Trovato

Greetings one and all! I’ve been
busier than a one-armed paperhang-
er with a rash. I attended the NYS
Council Meeting on 4/18/09 with
Jerry McDermott and Fred Elliott.
It deﬁnitely was productive. Towards
the end of the meeting, I was able
to address all those present in my
offical capacity as NYS Veterans’
Incarcerated Chairman and I want
to thank Ned Foote for his support
and for appointing me. I gave a short
talk on my approach to the position
and goals I’d like to see met, includ-
ing supporting Veterans’ Groups
in prisons that are not VVA chap-
ters and the expansion of Veterans’
Court. My thrust is to help VVA
chapters ﬁrst and then “go where the
work is,” which means go where the

BOARD MEETING
A motion to accept the budget as presented was defeated.
A motion to balance the proposed budget by adding $200,000 in revenue from the “car program” was defeated.
Passage of the “consent calendar” resulted in:
• Acceptance of Buzz Sawyer’s resignation as Agent Orange Chair
• Acceptance of Buzz Sawyer and George Claxton as special advisors of the AO Committee
• Appointment of Alan Oates as Chair of the Agent Orange Committee
• Appointment of Dan Stenvold as Chair of the convention Rules Committee
• The rescinding of eight previous BOD motions that are either completed or made obsolete by other actions.
• VetsConnect is now a project of the ETagBO Committee
• DPMO (Defense Prisoner of War/Missing Personnel Office) will be reviewing 30,000 recently declassified Russian documents

National Sgt-at-Arms, Grant Coates, was presented with a certificate of appreciation by the POW/MIA Committee for his work on the listing of all Vietnam POW/MIA personnel

The working group appointed to draft new MOUs acceptable to both VVA and VSF presented the following:
• A motion – that VVA will continue to promote and assist Veterans Support Foundation (VSF) with its fund raising efforts, to include the sale of the 25th Anniversary Wall Book – passed (This motion shows VVA’s willingness and desire to continue a healthy relationship between VVA and VSF.)
• A motion – to record the appropriate entries in VVA’s financial records the amount of one hundred twenty four thousand eight hundred ninety seven and 90/100 dollars ($124,897.90) from our accounts receivable (owed from VSF) to an expense item incurred by VVA in regards to its 25th Anniversary Wall Parade in FYE 2-28-09. – passed (This motion results from VVA’s accepting its responsibility for the parade.)
• A Memorandum of Understanding (MOU) between VVA and VSF to define the relationship between VVA and VSF. The MOU was unanimously accepted by the VVA BOD and will be presented to VSF for their review.
• A Memorandum of Understanding (MOU) between VVA and VSF designing a payment schedule for the repayment of VVA’s Loan Receivable by VSF. The MOU was unanimously accepted by the VVA BOD and will be presented to VSF for their review.

After informal discussion between the 9 Regional Directors and the 10 At-Large Directors, a schedule of expense reductions was agreed upon to eliminate the proposed FY’10 VVA budget deficit. (Remember that the Finance Committee, at its budget meeting, had already reduced the proposed deficit by $720,000.00 leaving a deficit of +/- $180,000.00). Before any discussion could be had on the proposed schedule of expense reductions, the Officer directed the VVA Department Heads to reduce their budgets to achieve a balanced budget. The Department Heads returned with the following reductions resulting in a proposed budget excess of $16,180:

Veterans Benefits Department $29,500
Information Technology $7,000
Government Affairs $14,000
VVA President $11,645
2009 Convention $10,000
Corporate Printing $50,000
Membership Committee $12,000
Communications $20,000
Membership Department $15,000
Corporate Public Relations $27,000

A motion was made and passed to endorse the Honor and Remember Flag.

As most of you know the Day of Caring was May 7. The volunteers who came to do outside yard work were put to good use during the morning rain. Ralph, Barb, Joe, Kenny, Chuck and numerous volunteers cleaned our storage room and the adjacent “junk” room. You can actually see the floor in the storage room now, both rooms came out great (but you still shouldn’t eat anything dropped on the floor). The Chapter will be sending letters of appreciation to this group.

FC Timothy S. Owen was assigned to Company D, 1st Battalion, 503rd Infantry in Vietnam. On June 29, 1968, his unit was conducting a night ambush about 25 miles east-southeast of Pleiku in Binh Dinh Province, South Vietnam.

At about 2400 hours, Owen left the ambush position, and it was believed that he fell into a stream, became disoriented and moved away from the squad’s position. Search efforts were begun within fifteen minutes and continued for four days. A combat tracker team (tracker dogs and handlers) and helicopters assisted in the search. Patrols in the area continued to search as late as July 6, but no trace of Timothy Owen was ever found.

Timothy Owen was declared Missing in Action because no evidence was ever found that he was dead. His disappearance remains a mystery, as he did not return in 1973 with 591 Americans who were released from various POW camps in Vietnam at the time.
Friends and Family,

I apologize for not getting a hold of everyone individually, but I just wanted to let you all know how I am doing.

Well, part of the reason for the delay in contacting everyone is my access to phones and the internet was kind of limited until recently. I just got the internet/phone/TV hooked up at my house, so I have joined the 21st century again. My wife and I are both doing great. I am currently stationed in Yokosuka, Japan on the USS George Washington, CVN-73. America’s only forward deployed carrier. In other words, ‘America’s Country Be Good Stick’. Hehe. I will be here for at least the next three years or so. Aki and I are living in a nice little blue house a couple of train stations away from the base. We are on top of a hill overlooking the ocean. It’s really nice, and we are still getting settled in, but it feels like home already. We are about 15 minutes away from Yokohama and about an hour away from Tokyo, which is really nice.

Work is going very well. It’s a whole new job, but I’m learning quickly. My in-port working hours are from about 07:00 to 16:30. So I’m able to get home for dinner every night we’re in-port. However, that is about to change, as we will be deploying (going out to sea) here very shortly. This will more than likely be the last chance I get to email most of you, as I will be somewhere in the pacific doing what you all are paying me to do. (^-^) Generally my ship will deploy every summer from about May to December, but barring any unforeseen events, hopefully I should be in-port for Christmas each year, which will be nice.

I am currently working in S-6, which is the supply department on the ship that supports the Carrier Air Wing. The supply department is big, we handle everything from mail, to the food, anything and everything that anyone would ever need on the ship. With my previous experience working in the aviation field, I was put in S-6, where I am responsible for repairable aviation parts. Given the rough nature of what our planes go through, parts are always breaking down, from Heads Up Displays, to Radars, Transmitters, you name it. Part of my job is to make sure that if there are sailors on the ship that can fix those parts, that they get fixed, and if we can’t fix them, that the parts get sent to a facility that can, and that new parts are ordered. I’m enjoying it, and am learning something new everyday.

Well, I just wanted to let you all know I am doing well and am getting settled here in Japan, getting ready to get underway. I attached a couple of photos as well. One of these days when I get back I will get my facebook page set up. I know I’ve been saying that for like 5 years now, hehe, but I really do wanna get something set up so I can stay in touch more easily with you all.

Take good care, and I’ll be in touch when I come back in the fall.

Sincerely,

SK3 James Trovato
