POW-MIA

Joe Peck, Chairperson

The DPMO and JPAC this month have released the name of another missing serviceman who has now been accounted for and returned to the US from the Vietnam War. This now brings the total of missing and unaccounted Americans to 1681.

Spec 4 Marvin Foster Phillips, US Army from Gruetli, Tennessee was a door gunner who volunteered on September 26, 1966, for an assault mission on board a UH-1B Huey helicopter after one of the 4 crew members failed to show for the mission that day. During the mission, the helicopter was hit by enemy small arms fire and crashed off the coast of South Vietnam in about 9 feet of water. One survivor was rescued and the remains of a second soldier were recovered by other aircrews in the area. Extensive searches were conducted but there were no signs of Specialist Phillips and one other crewmember. From 1999 to 1998 the US and the Socialist Republic of Vietnam (SRV) led by the Joint POW/MIA Accounting Command (JPAC) interviewed witnesses and investigated locations where the American soldiers had been supposedly buried. In 2010, remains were recovered from a village who knew of several aircraft crash sites near his home in Tra Vinh Province. The remains of Specialist Marvin Foster Phillips were recovered on July 24, 2010 and identified after extensive DNA research on August 29, 2011. He was laid to rest with full military honors next to his parents in the Palmer Town cemetery on September 26, 2011, exactly 45 years after he was reported missing.

There are also reports of the recovery and identification of the following:

1st Lt. William J. Sarsfield, 2nd Lt. Charles E. Trimmingham and Tech Sgt. Leonard A. Gionet, all US Army Air Corps were reported missing on June 26, 1943 during a bombing mission to Rabaul, Papa New Guinea. The remains of 9 of the 10-crew members were recovered between 1985 and 2001. The three-crew members listed above were laid to rest in a single casket on September 21 at Arlington National Cemetery. The remaining 6 were previously identified and individually buried in 1985. There was 1 survivor of the crash who was released as a POW in September 1945.

Capt. Jennings H. Mease, US Army Air Corps was reported missing on April 24, 1943 over the Himalayan Mountains while flying from Yangkai, China to his home base in Chabua, India. In 2003, the wreckage of the plane and remains were discovered near Chabua. Capt. Mease’s remains were identified on September 27, 2011. He was laid to rest on September 30th in Salt Lake City, Utah.

Cpl. Theodore A. Reynolds, US army was reported missing on November 2, 1950 in North Korea. His remains were identified on August 1, 2011. These men are finally home, God bless them and their awaiting families. Welcome home brothers and may you all rest in peace.

For further information on all POW/MIA’s I invite all to go the DPMO web site at www.dtic.mil/dpmo. Follow the selections on the left side of the page.

Veterans Incarcerated Committee Report

Ron Trovato

The Oneida Active Veterans organization has ended its run due to the closing of the Oneida Correctional Facility. They did a great job there organizing and assisting veterans and raising funds for charity. Past Chapter President Robert Legler has been transferred to the Otisville Correctional Facility and we hope he can find a similar veterans organization there. I want to thank the veterans of the OAV for the $166 donation that they forwarded to Chapter 20 before closing shop there. It says a lot about you guys!

Chapter 489 (Attica CF) had a General Membership Meeting on August 13, with Jack Michel, from Chapter 77 in attendance. The Chapter continues to raise funds by selling coffee creamers and we have sent in a load of yarn in hopes they can get a crochet squad going there, like the one in Chapter 205. The chapter has raised $400 for the Marines’ Toys for Tots Program, which they hope to give away at a future date. Cynthia Thayer, Western NY VA Re-entry Coordinator, is scheduled to return to Attica in November, to assist veterans there who are within 18 months of release. Attica veterans continue to provide substance abuse, PTSD, and anger management groups and all of these programs are 16 weeks in length. We received September’s newsletter, which was very well done and we thank Phil Glaser and William Cardman for their work on it.

Chapter 205 at the Auburn Correctional Facility is alive and well, despite the fact that Lawrence Wilson and Mr. Batch have both had to curtail their involvement due to medical issues. We wish them both well. We recently heard from Lawrence Wilson, who is back as Chapter Treasurer, and I thank him for the information he sent regarding ongoing membership problems with VVA National. We also want to thank Dennis Conway for his efforts on behalf of the veterans at Auburn. We have no new information on Chapter 603 in Groveland. However, we have been in correspondence with the Chapter President there, and sent the men a small donation.

Now to the west coast which is not easy for me after having been stranded in San Francisco for 12 hours after the convention. The 25th Annual Vietnam Veterans Group San Quentin scholarships were awarded to high school seniors with military parents. Scholarships of $1500, $1250, $1000, and $500 were awarded. This was the 25th year that the scholarships were awarded through Chapter 563’s food sales at the prisons, as well as donations from the Salvation Army and the Episcopal Diocese there. The chapter was highlighted in the prison newspaper which was a very interesting read and I appreciated getting it.

Lastly, we heard from Chapter 745 (Monroe, Washington) requesting information on the history of VVA. This writer forwarded the history that I remembered from 1979 with the conspiracy theories removed by a good friend of mine. VVA has done so much over the years and incarcerated veterans are a huge part of that. Keep in touch, guys!
SSgt. David Lemcke was assigned to B Battery, 1st Battalion, 40th Artillery, 108th Artillery Group at Outpost A1 in Quang Tri Province, South Vietnam. He was a rifleman for his unit.

On May 21, 1968, Lemcke was in a personnel bunker with four other individuals. One of the men was cleaning a weapon when it accidentally discharged into a box of illumination grenades. Two of the five men were near the entrance of the bunker and were able to escape to safety. The bunker burned extensively, and there were numerous explosions from the large amount of ammunition stored there. No remains were ever found that could be identified or related to Lemcke.

Lemcke is listed with honor among the missing because his remains were never found and returned to the country he served. His case seems quite clear. For others who are listed as missing, resolution is not as simple. Many were known to have survived their loss incident. Quite a few were in radio contact with search teams and describing an advancing enemy. Others simply vanished without a trace.

Please see the President’s message for important news about repatriation for SSgt. David Lemcke.
When Chapter 20 had their Stand Down event at the War Memorial a few years ago, I was there as a member and volunteer for the day. That event taught me what needs to be done to provide an outreach service to the community. That experience and the motto, “Together then, together now,” influenced my desire to set this event in motion.

I found that there was a great interest and need for the event when I approached other organizations. We proceeded together, without a budget, and all things have come together without money, except the donations provided by Town Government, bus companies, newspapers, the Veterans Affairs Rural Health Team and four county Social Services directors.

Almost everything has been donated. Our first intent was to provide updated information to the vets and to help them get enrolled in the VA Healthcare System if they qualified. Along with the picture ID. Now it offers all that plus updated info on shelters, warming areas, Social Services, employment and Christian-based outreach.

As a past Chapter 20 Board member and committee chair, I learned much about the community-based organizations and a lot about myself. Chapter 20 will always be in my heart as my home Chapter, but presently I am a Life Member of VVA Chapter 752 in Culpeper, VA. We are a small chapter, but a group of nice guys with great camaraderie.

Tell your members to keep up with working in the community. It does touch very many lives in a positive way.

As the sun comes up
Crack of dawn
Midnight madness in
Blackness you see all
Of me, special soldier,
For the cause, to shed
My Life, without pause
To kill me is gain
To protect and secure
My presence is sure
With the blood of the Lamb
That’s who I am
Congressional Medal
Green Beret
For that day
Seal with zeal
And it’s done
Recon comes about
Rescues the P.J.’s
And the fire inside
I’m a special soldier
And that’s who I am.

I am a life member of chapter 20. I just lost my Rotty that I had for over 10 years. My doctor at the Canandaigua VA told me about www.veteranspetreach.org, so I contacted them and they are all for the veteran, and they are going to find me a dog. They were very, very awesome and understanding. They run on donations and they asked me if I could help get the word out about them. They are giving me a crate, food, dish, grooming stuff and training. They also asked if I would do pet therapy at the VA with my new dog and I will, but I just wanted to know if our Chapter could help them out by spreading the word. Any help with this I would be very grateful. Thank you so much – Tim Uhl

[Editor’s Note: Consider the word spread, Tim!]

The Trovato family (Jimmy, Aki, and Grandpa Ronbo) would like us to meet their new addition:

Saina Jeanett Trovato

Per Jimmy - Jeanett is a combination of my mother’s middle name of Jean and my Grandmother’s name ‘Netta’. She has Kanji for her first name and last name, and Katakana for her middle name, which in Japanese, is actually pronounced “Jyanetta,” which is closer to the combination of those two names. She was born on the 17th of October, and weighed in at 7.6 pounds (3446 g).
Our BOD has wholeheartedly agreed to allow the collection of items below in support of our hospitalized veterans, both men and women, currently receiving treatment at the Canandaigua MC. The Vietnam conflict remains an event in history that is largely misunderstood. A new project of the Rochester Public Library and Vietnam Veterans of America Chapter 20 seeks to promote a better understanding of this tumultuous episode in our nation's history and to ensure that the people who served are never forgotten by recording oral interviews documenting veterans' experiences.

**Will you share your story with us?**

We're seeking veterans to be interviewed about their service during the conflict. Telling your story can be difficult, but it is important that future generations be able to learn from the people who experienced the conflict firsthand.

For more information or to sign up, contact Christine L. Ridansky at (585) 428-8095 or Christine.Ridansky@libraryweb.org or Vietnam Veterans of America Chapter 20.

Sponsored by the Rochester Public Library and Vietnam Veterans of America Chapter 20 in partnership with the Office of the Rochester City Historian, the Monroe County Historian's Office, St. John Fisher College, and Nazareth College.

This is available to veterans, their families, veteran advocates and VA employees. Non-veterans are welcome to use many of the features, although they will not have access to all functions VA patients have.

You can access the website at www.myhealth.va.gov. You will need to register to use key features and will be assigned a User ID and Password for return visits.
